

Hi! I'm Jackie and I coordinate the Just Between Friends Sales in **Maple Grove** and **Coon Rapids**. I'm excited to have you join our JBF family!

Want to enjoy all the benefits of consigning at our sales, but you are simply short on time? Not to worry, that's why we created our Valet Tagging Service! Our valet taggers would love to help get your items ready for the sale!

### **How It Works:**

You'll contact one of the valet taggers listed below and arrange a meeting to give them your items. Your valet tagger will prepare your items for our upcoming sale. The tagger will contact you when they are done tagging your items, and you will pick up your items and pay them directly at that time. You'll be responsible for bringing your items to drop-off and returning for consignor pickup to claim any unsold items (unless you're donating everything to charity). For sale details and to purchase your consignor ticket, please visit our website at *coonrapids.jbfsale.com* (for the Coon Rapids/Ramsey sale) or *twincities.jbfsale.com* (for the Maple Grove/Brooklyn Park sale).

### **Fees:**

- \$0.50 per item tagged
- \$0.25 per item handled but unable to be tagged (due to stains, holes, broken, etc.)
- Additional supply fee TBD (for hangers, pins, cardstock, ink, etc. based on how much they use)—ask your valet tagger how much they charge

### **Pricing Your Items:**

Our valet taggers are experienced JBF sellers and know what prices your items will sell best at. You can let them know what you are comfortable with, but please trust their judgment and knowledge.

### **Reduce & Donate Options:**

- You have the option to let your items be reduced to half-price on the final day of the sale.
- Don't want your items back? You can choose to donate any unsold items after the sale to our charity. No need to return for consignor pickup!
- If you mark ALL your items to both reduce and be donated if they don't sell, we'll credit back your Eventbrite consignor fee to your check!

### **How Much You Earn:**

With valet tagging, you will earn the same percentage (60%) on your sold items as all of our consignors. Earn even more (70%) if you choose SmartPay (in-store credit to be redeemed at future JBF Maple Grove & Coon Rapids sales).

### **What Happens at Drop Off:**

When you arrive for drop off, let us know at the computer check-in step that you had your items valet tagged. We'll ask a few questions and give you a "fast pass" through inspection. You'll put your items out on the sales floor, and then have fun watching your sales add up online in your tagging account!

Those are the basics of how it works! The valet taggers below can answer any questions and get you started:
